

VACANCY HOST(ESS) HOTEL VIA VIA – 38 HOURS P.W.

Dust off your kicks and come start a new adventure!

Nice to meet you! I'm the new kid in town.

Hotel Via Via is 'just a room' and not a traditional hotel. The perfect room from which you can discover Leeuwarden. The starting point of your adventure to blend in and live like a local. Hotel Via Via is an energetic alternative to the standard hotel experience and proves that low service does not mean that you have to compromise on lifestyle or comfort.

This brand new lifestyle hotel opened in September 2022 and we are looking for new colleagues!

Your mission will be:

As a host you will be in charge of our in-house shop; you prepare a fresh yoghurt-fruit bowl in the morning and you will update digital prices and information in and around the shop in the afternoon. You are responsible for keeping the living room up to par and you are always in for a neighborly chat with our incoming or in-house guests. Even though the guests have figured it out all by themselves what to do and what to see, you still can inform them about every new hotspot downtown. You'll treat our guest as you would treat your best friends.

This vacancy gives you the opportunity to create memorable moments and extraordinary experiences, are you up for the challenge? We have a position open for 38 hours per week.
